1. Units

General Concept: By looking at the coloured frame of an icon, the player understands the purpose of the unit immediately. Red is military, Orange a construction (siege engine), blue is special / church, light green is civil, light green without fancy patterns is domestic animal dark green without fancy patterns is animal. Castle Lord has some traces of gold in the pattern.

Outer Ring: Primary Colour: Here red. (should be blue, as "master class" = agent)
